DETAILS, DETAILS

The book cover for 'Sicilia' features a vibrant photograph of a coastal scene. In the foreground, a bright yellow path leads towards a white building with a dark doorway. To the left, a pinkish-red wall and a small potted plant are visible. In the background, a blue sea meets a clear sky, with distant mountains on the horizon. The title 'Sicilia' is printed in a large, white, serif font across the lower half of the image.

MY OLGA

Constructed in 1977 by the Cantieri di Pisa shipyard, Olga, drawn by Designer Pierluigi Spadolini, features a design that has influenced luxury yacht construction for years to come after her construction.

The layout focus is on a compact, streamlined superstructure, with glazed openings and dark portholes emphasizing the habitability.

The interior spaces offer comfort and luxury, with a spacious living area, an indoor dining room, a fully equipped galley and well-appointed cabins.

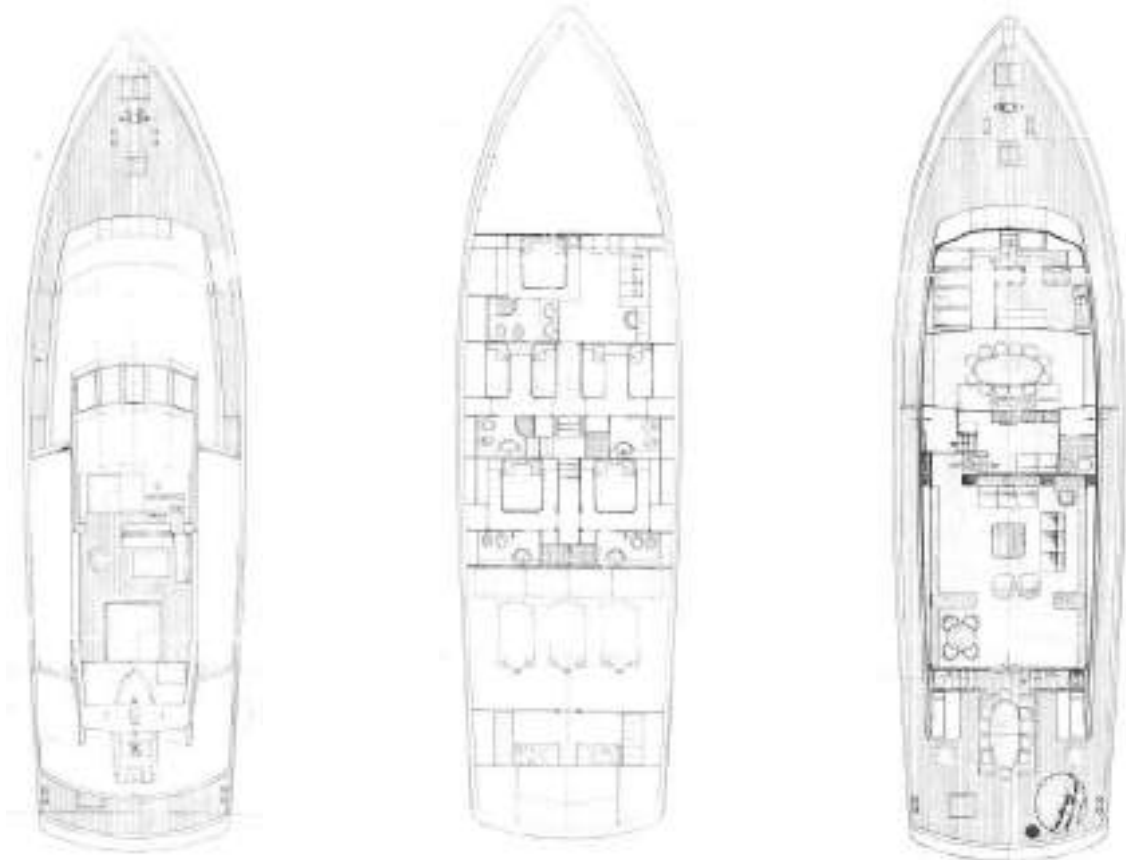

Olga is available for charter starting from 2024, after the first year of an undergoing two-years refit that will conclude in 2025.

Accommodating 10 guests and 5 crew members, Olga and her crew are dedicated to crafting unforgettable memories for you.

The elegant salon features 2 sofas, a coffee table, and round card table, ideal for table games too.

Olga boasts 5 cabins, including 1 master suite, 2 VIP suites, and 2 Twin cabins, all air-conditioned with en-suite facilities and SAT TV.

The aft deck offers a spacious dining table for up to 10 guests, while the foredeck is perfect for sunbathing. The sundeck includes an alfresco dining area and space for sunbathing.
