MY OLGA

Constructed in 1977 by the Cantieri di Pisa shipyard, Olga, drawn by Designer Pierluigi Spadolini, features a design that has influenced luxury yacht construction for years to come after her construction.

The layout focus is on a compact, streamlined superstructure, with glazed openings and dark portholes emphasizing the habitability.

The interior spaces offer comfort and luxury, with a spacious living area, an indoor dining room, a fully equipped galley and well-appointed cabins.

Olga is available for charter starting from 2025, after two-years refit concluded in 2025.

Accommodating 10 guests and 5 crew members, Olga and her crew are dedicated to crafting unforgettable memories for you.

The elegant salon features 2 sofas, a coffee table, and round card table, ideal for table games too.

Olga boasts 5 cabins, including 1 master suite, 2 VIP suites, and 2 Twin cabins, all air-conditioned with en-suite facilities and SAT TV.

The aft deck offers a spacious dining table for up to 10 guests, while the foredeck is perfect for sunbathing. The sundeck includes an alfresco dining area and space for sunbathing.
